“ I am Bev's youngest sister. She took off of school and came to the hospital when I was born with my parents to pick me up I was adopted. She always told me about that and how excited she was to have a baby sister. Our bond began then as we shared a room growing up. She was a wonderful sister to me. Always caring of others. We were texting each other everyday her always excited to share what her cats were up too. And she loved her husband, kids and grandkids very much. I will miss her dearly. I only wish we had more time together to be sisters I loved her very much. My thoughts and prayers are with Steve and my nephews and Jason's family. Love you all!!! Bev will be missed.

“ So sorry to hear of Bev's passing, Jane is my oldest and dearest friend and we shared many happy memories raising our kids together. We would all get together often so the kids could play, I haven't seen Bev for quite a while but I kept up with her on Facebook and I know she love being a grandma more than anything, I'm sure Jason and the family will make sure her beautiful grand babies know this always! My deepest condolences to Steve, Steve, Jason and family! Rest well Bev
