“ I wish to extend my condolences on Beverly's passing to her family and express my appreciation for the life of this beautiful, kind lady.

As a member of the First Friday Book Club, I always admired Beverly's hospitality, cordiality and friendship at our meetings as well as her excellent reviews of our books. She was a much appreciated member of the Club.

Beverly was also a committed supporter of the USC Symphony and attended the Metropolitan Opera South Carolina District Auditions. She was a lover of classical music and attended local events. Her interest in music came from her heart. She will always be remembered for her caring attention to the world around her.

“ Heartfelt condolences goes out to the family of Mrs Beverly Weymouth daughter Stacy Rowlette, grandson Mathew Rowlette and sister Kay and extended family. Mrs Bev was a caring and loveable sweet lady. We did many things together, and always encouraging one another. I'm proud to say she was my friend, she would say “Jackie I love you” and I would say I love you more. I pray that the Lord grant you peace and comfort during this unfavorable time.

“ In memory of my very Special Sister, Bev - she was a wonderful big sister; we were always treated like royalty whenever we visited; she loved doing so many things; she used to sew designer clothes; she played the piano; she learned to play the flute; she loved trying new foods; and we used to make good things together. She used to crochet baby items for the new babies in her church family; she was a bridge player; and loved being a member of a local book club. Bev and her husband, Dick, traveled to many parts of the world, and loved telling about those trips. She was first and foremost a Lady, and she loved our family - she loved her family - her daughter and grandson - and she loved our Lord. Rest in peace, my sister - I LOVE YOU.
