“ I was excited to see you at Northeast Presbyterian Church just a few short weeks ago after a three year time span when you were sick and in rehabilitation and unable to worship with us. Then I was shocked and saddened to hear of your passing. Now I am finally able to rejoice knowing that you are with our LORD. I look forward to seeing you again one day. I know you must be in heaven singing with that heavenly voice, a true God given talent.

I want to thank you for all your effort on behalf of so many members at Northeast Church. I saw how hard you tried to save the Traveling Friends by volunteering your time and effort and I thank you for that. I also thank you for all the tasty meals you prepared for us and I will never forget the first time I tasted tomato pie because you were the one to prepare it. Thanks for all the memories, Danielle!

“ If I am not mistaken, I believe Danielle was the kitchen manager/chef at First Pres in the 1990's when I worked downtown. I went to lunch and services along with other coworkers. She made the best chicken divan and gave me her recipe, modify for a normal family meal. I have been using her handwritten recipe for all of these years and think fondly of her and her kindness. My deepest sympathy to her family.

“ I so-enjoyed our conversations about God, also football (which I really think she participated in to be nice to me), and the importance of church family. My friend Danielle will always be missed.

God Bless,
Tom
