“ My only sister . I was doing ok but now I am having a very difficult time just taking this in . I want to say that she was always upbeat, made everyone feel welcome , and we talked about the lord and discussed what it is to be a Christian . She told me some time ago that she was ready to go to her eternal home when the lord called her . She wanted to know that all of her family would come to the lord and meet her when the time would come . In all the years that she was able to express herself she never complained about feeling bad. In her final days when she was so weak she smiled but not one time complained . Thank you chuck for being there for my sister and to all my nephews Jess, Mark,Brandon ,and Chuck please know that she loved you even though at times we don't know how to express it . To her only daughter Melanie you will never be sorry that you were there with her until she closed her eyes from this mortal body to an immortal body with her lord and Savior savior .

“ "Those we love can never be more than a thought away,
for as long as there's a memory, they live in our hearts to stay"
To Melanie, Jess, Mark, Chuck and Brandon as well as all of their families, my thoughts and prayers are with you all!
I only have the best memories of my aunt Doris. She was caring, funny, welcoming, (never met a stranger), and the best cook ever, next to our Mema, She will be missed more than words can express! Love you all!
