“ Edna Lou and Gladdie were best friends for decades. She was the one who cared enough to tell me that my mother was “ putting on a show” for me and not nearly as healthy as she pretended. I turned my car around and my Mother passed away a few days later. Thank you Edna Lou for being a Great Life Long friend. May you Rest In Peace in the arms of Jesus.

“ Edna was always a favorite customer of mine. I got excited when she would make a manicure /pedicure appointment. We shared many laughs together and probably even a few tears. She was pretty insistent that I get a cot so she could lay down and take a nap while I did her pedicure! I missed her so much when she moved but I'm glad for the time I got to spend with her. My memories of Edna are precious.
