“ Sylvia, I just heard about Fred and am so sorry. The two of you always brightened my day when you came in to the deli. I so enjoyed Fred's gentle smile and quirky sense of humor. You two always seemed so much the marriage that everyone wants. You overcame difficulties that would destroy many relationships, but you bolstered each other and taught us all how to smile in adversity. I am just devastated that he will no longer be there to make us all smile and tease about Clemson. Please know that we love you and will be there for whatever you need. Linda

“ Sylvia and Troy,
Eldred and I were heartbroken to see Fred's passing in the paper this morning. We will miss him and think of the good times we had together, and especially all the times Fred spent with Eldred when he was in the hospital. He was so faithful in visiting and it truly made his day.
You will be in our thoughts and prayers
Eldred and Jane
