

Graeme S Hurley

March 30, 1975 - April 16, 2020

Graeme S. Hurley, 45, of Lexington, died Thursday, April 16, 2020. Born March 30, 1975 (Easter Sunday) in Augusta, Georgia, he was a son of Billy Bevel and Joni Daniels Bevel.

Graeme loved music (Bon Jovi, Elvis, and Queen), movies (Star Wars, Star Trek, Young Guns, and Dukes of Hazzard). Most of all Graeme loved his family and friends. He would have wanted us to list them all and tell them he loved them very much. Graeme never let his mental health issues stop him. He attended Bridges Club House for over 25 years. He loved everyone there but especially his beloved "Jean Ann", who was with him and his mother through everything.

Graeme, you will be forever loved and missed, but never forgotten. You brought joy, kindness, and laughter to everyone you met. Fly high our sweet son, we will love you always.

The family would also like to thank all the caregivers, Lexington Extended Care and MSA Hospice for their love and care.

In addition to his parents he is survived by his brothers, Julian Bevel (Stacy) and Jesse Bevel (Crystal), Paul Peavy (Vicki); Aunt Janet Sox and Uncle Sonny Sox, Aunt Claudia Gibson, Uncle Danny Shuler; as well as many nieces, nephews, and cousins.

He is preceded in death by his biological father, Lesley M. Hurley; maternal grandparents, Willard and Delores Daniels; paternal grandparents, Franklin and Virginia McCormick; grandparents, William and Juanita Bevel; and Aunt Belinda Shuler.

Due to the Governor's limitations on public meetings, a memorial service will be held later.

In lieu of flowers, contributions can be made in Graeme Hurley's honor to Bridges Clubhouse, a program of Mental Health America, SC. 2105 Commerce Drive, Cayce S.C. 29033.

“ Graeme was truly one of the kindest, most honest and caring people I have ever had the honor of knowing. He was a highlight of my time at Bridges, and I always looked forward to hearing about his time with family, latest movies and/or music he was into, and his favorite recent meals. He truly enjoyed life, and his excitement for things we often overlook in the day to day chaos was contagious. He was always eager to help in any way he could, and you knew you had been hugged when you got a Graeme hug. I will miss our talks, his "Graemeisms" I always wanted to write down because they inevitably made me smile, and even chasing him out of the kitchen at lunch time so we could start serving (he was always ready to help with that part too!) While I was there to help him learn life skills, he taught me far more. Rest easy buddy!

“ Graeme always had a big cheery smile on his face and was ready to find out what we were having for lunch that day. He never seemed to let anything bring him down in life and I know his easygoing gentle spirit touched many. He always arrived to Bridges on Monday morning saying "Guess what I watched this weekend" and eagerly shared details about what movies he watched. He loved Star Wars and music, the good kind of music back when it was good as some people would say. Queen, Prince, Eagles, etc. He often spoke about his family, his nieces/nephews and just as he loved movies he equally loved his CD Walkman. Graeme was loved by so many people at Bridges and was considered one of the "old timers" at Bridges as he attended since the beginning if I remember correctly. For Halloween last year we decided to dress up as Star War characters as we all knew he loved the movies. We will all miss you at Bridges.

“ Graeme,

I loved you very much. The times we were together you helped me be better person.
You were so busy trying to make me happy and making sure you did everything right.
It was overwhelming to the point I questioned myself as to what kind of person I
actually was.

Love you always,

Aunt Claudia

“ I have a lot of memories about Graeme. From listening to what he ate this past weekend to which movies and music he has been listening to. I remember our group trip to Guinyard park where he walked across the rocks over a stream and almost fell in. I remember getting him a giant sandwich from La Estrella. I suggested he just eat half since it was a huge sandwich, but no, he said, "I'll just eat it all now." I remember having not the greatest of days when Graeme came up and gave me a big hug and told me, "You're one of the best friends I've ever had." Graeme could test my patience at times but he was a great guy. He loved his family and friends, and cared about other people. He was innocent and possessed a live for the moment attitude I can only hope to include in my life. I will miss you Graeme. You have made an impact of my life and the lives of others. In one of our last talks his main concern was if he was going to heaven. Congratulations brother, you're there!

Jason Hutto - April 23 at 02:30 PM

“ To the family of Graeme,
Even though I didn't get to spend a lot of time getting to know Graeme, I know from the short time I did spend with him, he loved life and he loved each of you very much. His family was his world and he loved each of you very much. You could tell that when he would face-time with you guys. That day he got to see everyone at the house was a wonderful time for him. He was so happy to actually see and talk to everyone. I know this is a very difficult time for each of you but someone who is remembered, never dies. They live within your heart and will always be a part of you. May God be with each of you. May His face shine upon you and grant you peace at this most difficult time.
