

Mr. Kenneth Stanley Moore, Jr.

February 22, 1952 - July 9, 2021

Kenneth Stanley Moore, Jr., of Blythewood, SC, joined our Lord Jesus Christ on Friday, July 9, 2021, with family by his side in Columbia, South Carolina. He was 69 years old. Ken was born February 22, 1952, to Kenneth and Wanda Lou Moore in Ardmore, Oklahoma. He was raised in Lubbock, Texas, where he graduated from Texas Tech University with a degree in business. While working in computer management, he met Lorraine, and married in 1994. Ken continued to work in various management positions until retirement.

Ken was a very active person and enjoyed running, camping and exploring. He had a brilliant mind and enjoyed a lifetime of learning and experimenting – he was skilled at carpentry, engineering, mechanics, and even built computers and robots.

In his later years, Ken was enthusiastic about getting to know and serve the Lord. He dedicated his time to studying the Bible and giving testimony to loved ones, as well as those he didn't know, with the goal of sharing God's wisdom with others. He was active in the Samaritan's Purse and In Touch Ministries charities, and he took part in helping disaster relief efforts through his charitable work. He was a loving man and a good neighbor, who loved serving God, spending time with his wife, riding his bike, working in his yard, and helping others.

Ken is preceded in death by his parents, Kenneth and Wanda Lou Moore, his sister-in-law, Christy Moore.

Ken is survived by his wife, Lorraine Moore; his brother, Jon Moore; his children: Kenda Burlison, Melissa Pollard (Chris), Kenneth Moore III (Kelsea), and Julie Eck; his niece, Jennifer Moore (Ian); his grandchildren: Anissa Pollard-Stephens (Kyle), Aubre Pollard-Shelby (Derek), Ryan Pollard (Laci), Kathryn Plouffe (Jacob), Braxton Moore, Addyson Pollard, Harlea Moore, Kaylea Moore, Caleb Eck, and Dylan Eck; his great-grandchildren: Cannon and Levi Shelby; uncle, Dr. Roger Moore, as well as his beloved cat, Alley,

In lieu of flowers, the family requests that donations be made in Ken's honor to Samaritan's Purse, In Touch Ministries, or Sandy Level Baptist Church.

“ Ken was an incredibly hard working man, riding his bike, walking and working in his immaculate yard every day. He and Lorraine would sit on their front porch swing at various times of the day, sometimes deep in conversation or just silently next to each other. He will be missed.

“ Our two neighbors from our old neighborhood we have truly missed since we moved to Florida. In April, Ken and Lorraine Moore. Many a morning we enjoyed a friendly conversation with them on their daily walk. Ken was always there for Steve. After surgery on his back Ken was there every day to walk and encourage him. This was not just a day or two but for weeks. Steve would call him and tell him about something broken and he always quipped " Don't buy a new one. Let's fix the old one." He saved us hundreds of \$\$\$. The best part was they did it together and Ken always taught Steve something new. He was a constant witness for Christ and shared verses with Steve. He was a good friend and neighbor. Years of friendship cannot be replaced. The best. It won't be long before we meet again. Goodbye Ken.

“ Truly just an amazing person that is loved, admired,& respected by the whole Corder family. My son Chase looked up to Mr. Ken so much & would talk about him all the time. We would joking call him Chases Step Dad because he meant that much to Chase & we all thought so much of him. Such a kind & generous man. One of the most intelligent & caring people I have known. Although there was such a big age difference between the two, I would consider Ken to not only be my friend but to be one of my sons Best friends. What a lucky family we are to of had him in our life's! You will forever be missed, loved, & remembered Mr. Ken! Taken way to soon. We love you Lorraine & are here for you. Sincerely, Eric Corder
