“ My Aunt always made me feel like I was the best thing she had ever seen, as I grew older I realized she made every one feel that way. What a gift. I will always have great memories of visiting her in Cross and Columbia The last time I saw her she gave me that same look that of joy and wanted to get up and make me some coffee. I will miss her terribly but I know she is in a better place

Love her always Cheryl Lane

“ A beautiful Christian woman inside and out! What a joy and blessing it was to be in worship and fellowship with her at Friendship United Methodist Church until she left to live in Columbia. I have very fond and heartwarming memories of her helping in the kitchen with VBS snacks, dinners, and whatever else she could do to help out the church. One of her favorite jobs to do was polishing the brass for the altar. It had to be spotless according to her. I loved having her in my Sunday School class. When she and Hazel Grimes would be together, there was never a dull moment! Those two were quite the pair of friends! Her love for her God, her family, her friends, and those she didn't even know was quite an inspiration to many of the younger crowd such as myself. We love her and will miss her, but we rejoice in knowing that she is reunited in Heaven with her loved ones and will be waiting on us when we all get there. Prayers and love to sent to Debbie, Maggie, and the rest of the family. She was so proud of all of you and loved you all so much!
