“ Myrna was our first SCD teacher and our friend. She shared her love of dancing and her love of life with so many, and shaped the beginning of our involvement with the SCD community that became a family for us for over 30 years. Her joy and generosity were inspiring and lasting, and we are left with deep sadness, but with lasting memories of her lovely spirit and so many fun times in her company. Myrna was a beautiful blessing. We will forever miss her.
