“ Our heart aches for your loss, and We wish we could take the hurt away from you and your families.

Norma was such a beautiful person both inside and out. We are so grateful that our families paths crossed living next door to each other since the 1960's.

Norma was a avid gardener keeping up with the ever changing seasons to ensure the curb appeal of her home where she and her husband raised their family.

Even after Norma moved selling her home, we kept in touch by phone. But, after leaving messages that were sadly unanswered, we didn't know what to think. Our last conversation was so upbeat with Norma, it breaks our hearts not knowing that would be our last conversation.

Our prayers and deepest condolences go out to Rob, Norma and their families . We truly hope that you find comfort in your family during these dark times. Please accept our deepest sympathies and condolences for the loss of such a beautiful women you were Blessed to have as part of your family and as a Mother. God truly Blessed your family from the very beginning placing her in your lives.

We will keep Norma Gene and her whole family in our thoughts and prayers.

Love,
Marjorie and Donna Fusci
