“ So sorry to hear of “Chub’s” passing. We spent a lot of time at the Kuhns and I knew Chub from 8yo. There was a lot of fun and back and forth in the woods! Godspeed!

“ I knew Chub from grammar school days and we were together many times through Middle School and High School riding bikes, playing tennis on his home court and climbing the fence to play a few holes of golf on the back side of the Palmetto Golf Club. After returning from the USAF I moved to Columbia to return to USC and visited Chub at Foreign Masters to talk while he worked in the evenings. We had many memories together including a final gathering at Brad Kuhn's home about six years ago when a dozen or so of our friends got together to visit and share stories. Sheryl and I are praying for Ashley and Cliff, and we are sorry for the loss of their Dad.

“ What a blessing to know what we view as an untimely passing is the exact time God planned to take him home.

“ About my friend, Chub

Robert Malcolm (Chub) Harmstad and I grew up together as next door neighbors. We made friends quickly and were essentially brothers all the way through our college years. We always had a great time together and enjoyed each other's company. I remember when we were eight or nine years old, spending several happy hours taking turns driving a Ford Thunderbird on a long trip. It didn't matter to us that the engine was not running, as we were having fun together. That's the way it was with us.

Everyone liked him, but Chub was my lifelong friend. I remember him to be a kind and generous person who lovingly cared for both his father and then his mother when they needed support in their later years, taking his mother into his home. He earns the highest marks for that.

I am deeply saddened by Chub's passing. I will miss him.

With love and affection to him and to all who knew him

“ As a friend of Chub's in the period from 1957-8 until the last few years, when we lost track of each other, I can only echo Brad's thoughts and words to the family and children. You have my sympathies.
