“ Thank you Trent for calling me to let me know of your dear grandmother's passing. She was such a bright spot in our lives when we were "across the street" neighbors back in the late 90's. I have such fond, fond memories of her, Terry, and Johnny sitting out on the front porch when the weather was nice, and even of you, when just a little fella, coming into our back yard to climb in the "fort". I had not seen her lately as we moved up to the Charlotte NC area a while back, but occasionally I would stop by when in Columbia, and she always welcomed me with that broad beaming smile. I know her heart was broken when Terry and Johnny passed, but they are all healed now. My prayers go out to you and your family, that you'd experience God's comfort and peace as you miss her sweet presence on earth. I know I am a better person just for having known Mrs. Shirley.

PS: I thought about our daughter Hannah, already in Heaven and imagined her meeting up with Mrs. Shirley this week. How I'd loved to have seen their hugs.

“ Jan I am so terribly sorry for the loss of your sweet Mama. I know you loved her so dearly. Many prayers to you and your family as your mother goes to her eternal home. Don't worry, she is surrounded with love and beautiful angels who you knew that passed before. She is happy and would want you to be. She will patiently wait for you and I am sure she is preparing a beautiful flower garden for you both to sit by in your sunhats together. I love you and please take care.
