“ Had the pleasure of knowing David over the last 30 years. Lots of great memories of our beach vacations and enjoyable holiday meals we shared together. No one enjoyed a good oyster more than David. Our thoughts and prayers go out to Kathy and Paul. He was a big part of our family and a great brother in law. We will all miss him dearly.

“ Davy was my little brother. He was a man of many talents. He enjoyed life and never met a stranger. He was an avid reader, Guitar player, sailer.writer. Fisherman, Collector of Indian arrow heads and sharks teeth. He loved the Carolina Coast and the many other places he was fortunate to have visited. He was a great comedian and always kept us laughing

“ David's Mother: Nancy, helped with Cindy and My wedding. She made it all possible. What a great lady. David was a classmate of mine at Dreher, class of 1968. David was always a fine fellow. A real first class straight shooter. I always enjoyed our discussions at the old B&S Drug Store lunch counter. He will be sorely missed by all.
